What is residential & dementia care?

Barley View is more than just a care home - it's a place with a rich and vibrant community, where people can be their true selves whilst receiving a high level of care and support.

We offer:

- Residential care for older people who need support with daily living.
- Specialist dementia care in a setting designed to support memory, independence and wellbeing.

Every resident has a personalised care plan, created with them and their loved ones, to ensure their needs and preferences are always respected.

At Barley View we have...

- 28 en-suite bedrooms
- A beautiful courtyard garden and balcony areas
- Spacious lounges, dining rooms and activity spaces
- Assisted bathrooms and nurse call systems
- Full calendar of activities and events
- Level access and hearing loops throughout
- Intelligent signage and colour schemes to support dementia care
- A fully adapted minibus for trips and outings
- A hair salon and visiting barber

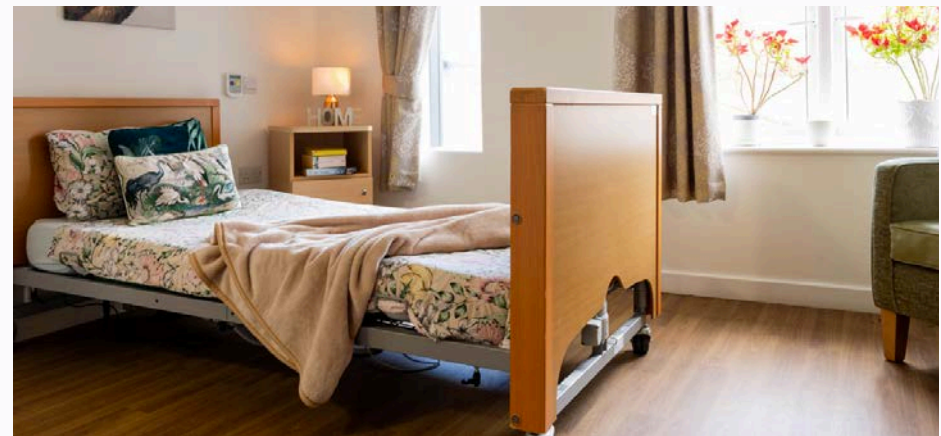

About our rooms

Each of our 28 rooms is designed to feel like home, with:

- En-suite wet rooms
- Comfortable furnishings
- Nurse call sensors
- Light-assisted guidance
- Space for personal touches

You're welcome to bring your own furniture and decorations to make your room truly yours.

Dining at Barley View
